

Date: _____

Day: _____

Voltammetry

SHORT Questions

- (i) Describe briefly the two steps in stripping voltammetry? (2017)
- (ii) Basic principle of anodic stripping voltammetry. (2020)
- (iii) What do you mean by anodic cyclic voltammetry? (2020)
- (iv) Disadvantages of anodic stripping voltammetry. (2022)

Long Question

- i- Applications of anodic stripping voltammetry. (2017)
- ii- Discuss anodic stripping voltammetry. (2019)
- iii- Discuss electrodeposition step and voltametric ~~step~~ completion step in voltammetry. (2020)
- iv- Discuss construction and working of voltametric cell. (2022)
